

**CARDEN CONSERVATORY
2019 SUMMER SCHOOL
Six Week Session July 1st -August 9th**

INDEPENDENT STUDY I

Individualized study programs are available for elementary students either in need of remedial work or summer enrichment.

Hourly rate of \$45.00 is applied for independent study. Times set up on an individual basis and run throughout the entire summer.

PRIVATE MUSIC LESSONS

Private lessons in your choice of piano, guitar and voice. Lessons may be ½ hour to one hour in length.

Hourly rate of \$45.00 is applied for private lessons. Times set up on an individual basis and run throughout the entire summer.

JUMPSTART KINDERGARTEN

This course is designed for students who are entering Kindergarten in the fall, or for those students who have late birthdays. This course will focus on Reading, Carden phonics, Mathematics, and Printing. Kindergarten Readiness Testing is a prerequisite for enrollment.

MTWTH 9:00-12:00 Metz \$850.00

KINDERGARTEN - 1st GRADE REVIEW

Help your children retain the reading and math skills that they have developed over the school year. Students will review vowel charts, Carden phonics, read simple stories, answer comprehension questions, and analyze sentences. We will focus on understanding main ideas and recalling data from reading. Math will review addition, subtraction, greater than, less than, patterns, and STEM activities.

**MTWTH 9:00-11:00 Vardeman
\$700.00**

2nd – 4th GRADE REVIEW

Help your child retain the knowledge that they have gained over the school year. Students will review the vowel charts, Carden phonics, read stories, answer comprehension questions, and analyze sentences. We will focus on recalling data, sequencing, and understanding cause and effect in reading. Math will review addition, subtraction, patterns, graphing, multiplication and division.

**MTWTH 9:00-11:00 Lambert
\$700.00**

5TH-8TH LANGUAGE ARTS REVIEW

Do you want to keep up your grammar skills and become a better writer? Come join us for some fun! We shall play games, like preposition and adverb bingo, and punctuation Tree House Hunt, to keep grammar skills sharp. The class will also spend time writing different types of papers. Students will learn to edit and enhance their papers with descriptive adjectives and action verbs. It will be a fun time for all!

**MTWTH 9:00-11:00 Hashin
\$700.00**

SPEAKING SPANISH (all grades)

This course is designed to review and reinforce the student's knowledge of the Spanish language in an engaging and fun environment!

**MW 9:00-11:00 Drummond
\$350.00**

MASTER CHEF HERE WE COME (all grades)

Students will learn to prepare a variety of delicious summer themed dishes from appetizers to desserts, with basic ingredients and simple steps. This hands-on class will also explore proper etiquette when setting a table and table manners.

**MW 11:00-1:00 Drummond
\$350.00**

A TRIP TO THE ZOO (all grades)

Students will learn and create fun arts and crafts about animals from all over the world, in a simple and engaging way. Not only will the students make beautiful art, they will learn about the different animals of the world!

MW 1:00-3:00 Drummond \$350.00

HANDS ON MATH (all grades)

In this course students will be participating in different hands-on experiences related to different math concepts. This class will be engaging, exciting, and educational! When kids work hands-on with math concepts, they engage with the material and construct their own knowledge. Rather than being told what to learn, they use the activity to create their own understanding of the concept.

**TTH 11:00-1:00 Sowards
\$350.00**

BEGINNING FORENSICS SCIENCE (all grades)

Students will experience hands-on experiments to investigate types of paper, inks, pencil marks, erasures, typewriting, and handwriting, and make observations. When a sinister plot unfolds, students will use visual and microscopic observation, UV light, chromatography, replicating techniques, and wet chemistry to discover forgeries! They will compare properties of various inks and documents to uncover secrets, catch the bad guy, and improve critical thinking! There will also be a United States Special Agent guest speaker!

**TTH 1:00-3:00 Sowards
\$350.00**

ALGEBRA I

This course is designed to introduce students to Algebra. Students will learn the basic properties of solving linear equations, graphing, factoring, and applications. 7th – 9th grade students.

Mandatory for students enrolling in the 8th grade this fall.

**T W TH 9:00-11:00 Sowards
\$525.00**

Summer School

CARDEN SUMMER SCHOOL
Enrollment Contract
Summer 2019

I hereby enroll my child _____ in the 2019 Carden Summer School for the six week period beginning July 1st and ending August 9th.

Please note that fees will be adjusted according to coinciding enrollment hours in both the summer school and summer camp programs.

****All Summer School classes are open to Non-Carden Students****

Independent study, private music, art and computer lessons are billed at an hourly rate of \$45.00/hr. Day and time choices are subject to change dependent on availability.

| | Subject | Days | Time | Cost |
|----------------------------|---------|------|------|------|

I understand that I am paying to reserve space for my child. I agree to pay for the Summer Session IN ADVANCE of attendance. The Tuition is paid in order to have staff available. The Summer School Program has been designed in a six week session format in order to accommodate other summer plans. Therefore, I understand that there will be no refunds for vacation time, illness, withdrawal or other absence. I understand that the continued enrollment at Carden Conservatory depends on my keeping current with tuition payments. I also understand that there is a Late Pick-up fee of \$12.00 an hour for students who are not picked up in a timely manner. The fee for returned checks is \$15.00.

I also understand that Carden Conservatory has high expectations of conduct regarding both students and, by example their parents, and that I will abide by the policies of the school. I have enclosed the required tuition fee, as stated above, to reserve a space and realize that if my child withdraws before or during Summer School, it is still non-refundable. I may receive a refund if, and only if, Carden must cancel the class for any reason.
